

READY TO BELIEVE

By Greg Ferguson

LEAD VOCAL

Could I walk not by sight
But by faith in your light
Could I trust an unseen hand
To lead me where I've never been
Could I soar through the years
Breathing prayer instead of fear

LEAD VOCAL & GROUP

I'm ready to believe
Beyond what I can see
Restore to me

LEAD VOCAL

The faith of a child
The faith of a child

LEAD VOCAL

You would speak words of peace
And captive souls would be released
You would call the faint of heart
To venture out to where You are
You would ask, would You dare
To follow Me anywhere

LEAD VOCAL & GROUP

I'm ready to believe
Beyond what I can see
Restore to me

LEAD VOCAL

The faith of a child
The faith of a child

LEAD VOCAL, GROUP
(as underlined)

My heart is open to You
I believe I'm ready
My mind is reaching for You
Can You feel I'm ready
Oh Lord I'm ready
